

Zenturo Super is a complete fencing solution with a high design content. The panels can be used as single panels or for the creation of gabion walls.

## BENEFITS

### Extremely high strength

Zenturo Super panels are exceptionally strong due to the narrower meshes.

### Functional Design

Zenturo Super panels are stronger with narrow meshes thus making them ideally suited for gabion walls. In combination with the Zenturo post concept and associated fixing kits, a wide variety of infills can be used to create a personalised aesthetic look.

### Easy installation

The Zenturo Super panels are be combined with the Zenturo post system (with fixing kits) for gabion walls.

## PANELS

The Zenturo Super panels are flat panels with double (2D) alternating horizontal wires for added strength.

- Panel sizes: 2000 x 950 or 2000 2000mm.
- Mesh sizes: 100 x 50 and 50 x 50mm
- Horizontal wire: Ø 5mm
- Vertical wire: Ø 4.15mm

As a final touch, we have a finishing strip (with wire diameter of 3.80mm) which needs to be fixed at the top of the gabion wall (once the gabion wall has been filled up). It is available in anthracite (RAL 7016).

## POSTS & FIXING SYSTEMS

The Zenturo Post is a rectangular tube with a cross section of 120 x 40mm and a wall thickness of 2mm. Galvanised and polyester plastic coated.

## COLOURS

Anthracite grey RAL 7016.

## PANEL INFILLS

The Zenturo Super panel can be personalized with different unique and modern infills.

Note: use adapted post diameters when filling the panels completely with strips.

## COATING TECHNIQUE

The panels are made of galvanised wire, and an adhesion layer is provided for perfect adhesion with the polyester top coating (min. 100 micron). The posts are internally and externally galvanised (min. layer thickness 275g/m<sup>2</sup>, both sides combined) according to Euro standard EN 10346, after which an adhesion layer is applied and polyester plastic coated (min. 60 micron).

### ASSORTMENT ZENTURO SUPER

Fence height mm	Panel dimensions width x height mm	Zenturo post concept post size 120 x 40mm	Zenturo fixing kits per post
950	2000 x 950	1500	2 x 4
2000	2000 x 2000	2700**	2 x 8*

\* Extra inserts are foreseen to combine two panels on top of each other.

\*\* Check the installation instructions when using the panel as a gabion wall. (Zenturo brochure)
